Who We Are

Established in 2010, Great Lakes Facility Management is a leader in the commercial and industrial cleaning industry with key focus on customer satisfaction. A special emphasis is placed on our employees as we strive to offer a safe, consistent, and stimulating work environment.

Our Services

Janitorial & Industrial Commercial Cleaning, Pressure Washing, Painting, Construction and Final Clean-up, Window Washing, Recycling, Complete Floor and Carpet Care, Parking Garage Maintenance and Facilities Management.

From the cleaning and maintenance of hard-surface and carpeted flooring to full service janitorial requirements, Great Lakes Facility Management is here to serve.

Any job, big or small, our facility specialists are here to make a difference. We offer customized services tailored to the needs of our clients within budget, on time, every time. We are dedicated to ensure the service that we provide complies with OSHA standards. Headquartered in Flint Michigan, Great Lakes Facility Management offers service excellence using the latest innovations and technologies in the industry. With over 7 years of commercial and industrial cleaning experience, Great Lakes Facility Management is consistent and responsive.

Core Values

Great Lakes believe in ethical business practices, treating our employees with respect, servicing our community and protecting the environment.
